Second Auction lower threshold information on SEEPEx auction

Important information

- **The Second Auction lower threshold will be amended from 0.01/MWh to 0.00/MWh**
- **The modification will be implemented on 06 July 2023 (first trading day) for delivery 07 July 2023**
- **The upper threshold remains unimpacted (2400€/MWh).**

Dear SEEPEx Member,

We would like to inform that the lower threshold that triggers the **Second Auction procedure** on the SEEPEx Day-Ahead auction will be amended **from 0.01€/MWh to 0.00€/MWh** as of **06 July 2023** (first trading day) for delivery 07 July 2023.

The Second Auction is triggered in case at least the price for one hour reaches or exceeds the predefined price thresholds.

Please be aware that in case the concerned prices still reach the predefined thresholds after the Second Auction calculation, there will be no more triggering of a further Second Auction.

		Second Auction thresholds	
Timeframe	Market	Before 06 July 2023	As of 06 July 2023 (first trading day), 07 July 2023 (first delivery day)
